FAQ:

Can you help me put my “book” together?

Absolutely. Putting a book together for theatre, music theatre and college is dear to my heart. Finding the right monologues and / or songs to suit the individual is one of my favorite ways to help new artists and students step out on the right foot.

Self - Tapes

Yes. I can help with self-tapes. There is a self-tape studio on-site. If you want to do a self-tape with a professional reader and *also* have it edited and uploaded to agents and casting sites, that is considered “with post.” If you would just like a professional reader and lighting and take your tapes with you, that would be self-tape “without post.” Sides need to be emailed 24 hours in advance. Please **ALSO** bring 1 copy of sides and be **CAMERA READY** upon arrival.

Can you help me get an agent or do I need a headshot?

Great questions. You probably have a ton more. With a **consult**, I can help guide you through those “getting started in the industry” questions, allowing you to leave with a tailored, clear plan of action with legitimate services chosen specifically for you. This includes headshots, resumes, reels, casting sites, agents, etc. To get the most of a consult, have **ALL** materials, links, folders, etc. ready to go, and your list of questions, goals and a pencil and notebook handy. *A consult does not guarantee any representation or employment.*

My child has an entrance audition for a performing arts program / school. Can you help?

Yup! Don't worry, parents. I got ya! Many performing arts schools and programs have auditions for entrance. I will choose or help you choose the audition material suited for your student and coach them for their audition.

Can you help me with my taxes?

No. No, I cannot. And you don't want me to. Just like we all need a professional accountant to help with taxes, an actor or a singer needs a professional coach to help them reach their full potential. That, I can help you with..... and, I'm excited to do so. So, let's go!!

STUDIO POLICY:

- All copy / scenes / songs need to be emailed to HeatherMarieMarsden@gmail.com **NO LATER than 24 hours before your session.** If materials are not emailed, you will waste valuable coaching time.
- I do my homework before your session, so, make sure you do yours! Go through your scene or song and be as familiar as possible. *It is not necessary to memorize yet.*
- **Cancellations can only be made 24 hours in advance. This time has been reserved for you. Anything less than 24 hours results in you losing your session fee.**
